ABOUT ME

Aspiring Data Scientist and Data Analyst enthusiast with hands-on experience in Python, SQL, data analysis, and machine learning projects. Skilled in data cleaning, visualization, EDA, and predictive modeling using Pandas, NumPy, Scikit-learn, and Streamlit. Seeking an opportunity to apply analytical and problem-solving skills in a data-driven organization.

SKILLS

Programming: Python, SQL

Databases: PostgreSQL

Libraries: Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn

Data Analysis: EDA, Data Cleaning, Statistical Analysis, Data Visualization

Tools: Streamlit, Excel, Google Colab, VS Code

Web Technologies: HTML, CSS

Soft Skills: Communication, Problem-solving, Teamwork

EXPERIENCE

Data Science Trainee | Sensation Software Solutions Pvt. Ltd. | Mohali

6-month hands-on training in Data Science, Machine Learning, EDA, Python, and predictive analytics using Scikit-learn and Streamlit.

Python Developer Trainee | SkySys Engineering | Mohali

1 Month Python training covering core programming concepts and practical development.

Frontend Developer Trainee | Apptechies | Mohali

Frontend training in HTML, CSS, and responsive web development.

PROJECTS

AQI Status Prediction

Developed a machine learning-based web application to predict Air Quality Index (AQI) status using environmental datasets. Performed data preprocessing, analysis, and model training using Python and Scikit-learn, with a Streamlit-based interactive interface.

Employee Salary Analysis

Analyzed employee salary datasets using Python, Pandas, and data visualization libraries to identify salary trends, patterns, and key influencing factors through exploratory data analysis (EDA).

Coffee Shop Sales Analysis Dashboard

Developed an interactive sales analysis dashboard in Microsoft Excel to analyze coffee shop sales performance and customer trends. Used Pivot Tables, Charts, Slicers, and data visualization techniques to track total sales, top-selling products, monthly revenue, and customer purchasing patterns.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science Engineering

Sant Baba Bhag Singh University, Jalandhar

Expected Graduation: 2026

Current CGPA: 8.20

Diploma in Computer Engineering

Dr. B.R. Ambedkar Government Polytechnic Ambota, Una

Year of Completion: 2023

Percentage: 71%

CERTIFICATION

Data Analytics Master Class Certification - Novitech R&D Pvt. Ltd.
